1MMOBILISE

Immobilise is the world's largest **FREE** register of possession ownership details and forms a very effective tool in helping to reduce crime and return personal property to its rightful owners.

Immobilise can be used by members of the public and businesses to register their valued possessions or company assets and is used by all UK Police forces to trace owners of lost and stolen property. As a direct result of Immobilise property registration, there are over 250 cases a week where property is returned or information collected, that assists the Police in investigating criminal activity involving stolen goods.

How to register your Laptop/Phone/Bike

Laptops and PC's require your computer's make, model, and serial number.

Dialing *IOst wil display your pIIOnes IMEI on screen (shown left)

For mobile phones, all you will need is the IMEI.

The IMEI number is a unique number for mobile phones and by simply typing ***#06#** into the keypad, the IMEI number will display on the screen (See diagram)

All you need to register your bike is Make, Model, and Serial Number (which can be found in locations indicated in the diagram)
