Dear Parents / Carers,

Option Choices

The Year 9 option blocks have now been finalised and the students have made their draft choices. These option blocks were based upon the straw poll of Year 9 several weeks ago. This was then used to create option blocks in order to ensure that as many students as possible could access the option choices they wanted. Obviously there will still be a small number of students where they cannot have their first choices but the vast majority of students should now be able to select their preferred options.

Over the course of the next few weeks, your son / daughter will have an opportunity to meet with a member of staff to confirm his / her choices during a 10 minute interview. If you would like to attend this meeting, please fill in the appropriate section on the reply slip below. Reply slips should be returned to the Student Services Desk.

Thank you for your support throughout the option process.

Yours sincerely

Mr A Rannard
Deputy Head Teacher
